

*Being the best you can be.*

Dear Parents and Carers,

Welcome to the new school year.

This week we welcomed our new Nursery and Reception children and families to our school and all the children have been getting to know their new teachers and classrooms.

In assembly we have been thinking and talking about our school values Unity, Integrity, Courage, Curiosity and Excellence. This half term we will be focusing on Unity and how when we work together we are stronger. In KS2 the children have been thinking about World Democracy Day in preparation for their participation in our school council.

### **Fibbersley Stars**

Each week our teachers will be choosing the Fibbersley Stars for their class. Our Fibbersley stars are children who have tried their best or excelled in some aspect of school life during the previous week. We are very proud of our stars and it is always a pleasure to hear about the great things our children have done.

### **Always Club**

The Always Club celebrates children who always follow our school values and rules. Mr Brewin and I meet once a month to share hot chocolate and biscuits with our Always Club children. Participants are awarded a certificate which will be sent home with them. If your son or daughter receives a certificate please congratulate them on their achievement.

### **Class Charts**

Class Charts is our school communication system and a vital link between you and the school. Its also where our children collect points which can contribute towards prizes. Class Charts is available from your mobile phone app store. Please contact the office if you are unable to access the system

Have a great weekend

Mrs Sugars

**Communication:** If you have an issue or question, please ensure that you follow the school's communication policy and make contact with your child's class teacher via Class-charts, telephone or email in the first instance. If you then require additional support, please ask to speak to the **Year Leader**, then a member of SLT.

The school day ends at 3,15pm. No-one, including siblings under the age of 16 are allowed to drop off or collect children from school. Thankyou.

**To adhere to our school policy , if your child has sickness or tummy upset, please keep them home for 2 days from the last bout of illness.**

## Medications/Inhalers
